DATE: 30 JUNE 2014

**Continuation of Trading Halt and
eResearch Corporation Research Report**

Botswana Metals Limited (ASX: BML) ("the Company") is pleased to advise that eResearch Corporation of Canada ("eResearch"), a primary source for professional Investment Research, has been appointed by the Company to undertake research.

To view the report prepared by eResearch please visit our website www.botswanametals.com.au and click the link labelled 'Research'.

Botswana Metals Limited paid eResearch a fee to conduct research on the Company on an Annual Continuous Basis.

The Company has requested a trading halt because of the intersection of massive sulphides during current drilling at Maibele North. The trading halt is unrelated to the eResearch report and a further announcement regarding the drilling will be made as soon as possible.
