**REQUEST FOR TRADING HALT**

Dear Kobe,

Botswana Metals Limited ("the Company") (ASX code: BML) hereby requests a trading halt of its securities pending an announcement on the progress of drilling at Maibele North.

Visible massive sulphides have been intersected in the first two diamond drill holes which have now been completed.

The Directors are requesting a trading halt to allow sufficient time to analyse the drill cores and report accordingly.

The announcement will be made prior to the commencement of trading on Wednesday 2 July.

The Company is not aware of any reason why the trading halt should not be granted.

Yours faithfully,

Patrick Volpe  
Chairman
